

CTF ELIGIBILITY

Must have worked in construction in the past 12 months and be able to evidence with employment details.

OR

Need the ticket as they are commencing work and require the ticket for work – again, evidence of employment is required by CTF.

Eligibility for Employed Participants

Individuals must complete a CTF form and be able to evidence they have worked on the construction sector in the prior 12 months. Individuals must be able to provide employment details for the CTF form and be able to provide employers name / email / worksite.

Eligibility for Unemployed Participants

If an individual is unemployed at the time of undertaking a CTF recognised short course, they must be able to:

- Have written evidence of a relevant offer of employment (including commencement date) from an eligible construction company or contractor for direct employment in the construction industry.

Example CTF Form

If CTF pricing is selected, your candidate will be required to complete a CTF form when attending the course. If they are not CTF eligible, Workskil concession pricing will apply.

Contact Sonia if you have any questions about CTF.
